SIXTH FORM TEST WEEK
W/C 30 SEPTEMBER

Latin students with the Principal and Mrs. Wadsworth.

FROM THE PRINCIPAL

As we conclude the third week of the academic year, I am delighted to see how quickly our pupils and staff, particularly those who joined us at the start of September, have embraced College life and settled into its routines.

This week, I am incredibly proud to celebrate a group of pupils whose commitment and hard work have truly stood out. Despite Latin not being part of the curriculum, they chose to pursue it out of passion and determination and their efforts have paid off in the most remarkable way. They achieved outstanding exam results: 12 A*s, 3 As, and 2 Bs.

It was a pleasure to meet these exceptional pupils in the Principal's office where they were rewarded with a well-deserved treat. Their achievements are a testament to what can be accomplished through dedication and perseverance.

A huge congratulations to all of them and a special thank you to Mrs. Wadsworth, their Latin teacher, whose inspiring guidance has clearly made a positive difference. Well done to everyone involved!

CROSS COUNTRY SUCCESS - BE PROUD

The first Cross-Country race of the season took place on Wednesday and a massive entry of 63 runners made it a day to remember. As usual, our students behaved impeccably and a great team spirit was evident.

It was fantastic to see so many runners from Year 7 compete. Hats off to them and let's hope this is just the start of a bright future in cross-country for them. Special mention for three of our Year 8 runners; Esme C came 7th in her Years 8-9 race, Max M 7th in his and Bobby McE won the race. Fabulous performances by the three of them.

DESIGN STUDENTS TRIP TO LONDON - JOIN IN

Last week, 23 Art & Design pupils enjoyed a trip to London in order to visit some museums and galleries.

They enjoyed exhibitions at Tate Modern and Kensington's Design museum and managed to squeeze in some sightseeing. Pupils had a busy yet productive day and are now to able to reference a range of artists and designers in their ongoing coursework.

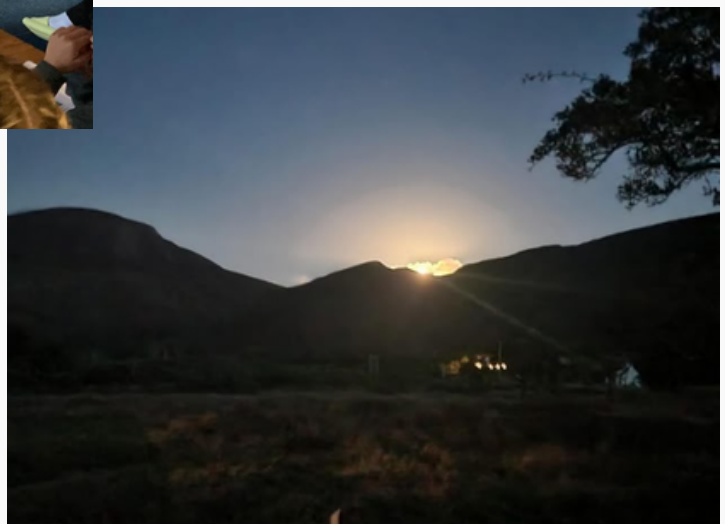

ISLE OF ARRAN TRIP - WORK HARD

GCSE Geographers on the Isle of Arran trip were exceptional! Last weekend they were travelling since early hours in the morning and were still up and in the classroom until 7pm. Miss Malone mentioned that they were very eager to learn and being in a new environment really inspired them.

They had the opportunity to stargaze, with the sky free from light pollution. They also managed to see the bright moon rising over the mountains, it was spectacular to witness in person.

CHORISTER NEWS: SENIOR CHORISTER LEADERSHIP TEAM - GROW IN FAITH

Congratulations to our new chorister leaders who were presented with their medals at Evening Prayer last Sunday.

The role of chorister leader is one of service to the choir, modelled upon Christ who 'did not come to be served, but to serve' (Mark 10 v45).

Please click the link below to see how the school has prayed during this week; every lesson at 0840 daily begins with this common prayer. Please do select a day to read reflectively and prayerfully, entering in to prayerful solidarity with the school family.
