START OF YEAR 12 WORK
EXPERIENCE WEEK
MON 24 FEBRUARY

FROM THE PRINCIPAL

I would like to congratulate our U13 Rugby team on their outstanding victory at the Lancashire Rugby Festival, alongside the Year 7 Rugby team. Their dedication to working hard and joining in has made us all incredibly proud. As with last week, we celebrated with a breakfast in my office, presented medals, and took a team photo. A big thank you to the PE department staff for coaching our talented athletes and helping them embody our Edwardian values on and off the field.

Also, I am delighted to inform you that on Friday, 7 February, our Governors appointed Mrs Rebecca Jones as Deputy Principal at the College, following a thorough and rigorous selection process. This included three days of assessments, tasks, presentations and interviews. Mrs Jones is highly qualified for the role of Deputy Principal (Academic), having spent many years working in challenging schools to bring about significant improvements in GCSE and A-Level results, as well as attendance. She has also earned a wide range of additional qualifications, including two PGCEs relating to SEND, the National SENDCo Qualification, Designated Safeguarding Lead training, NPQSL and NPQH.

We are excited to see Mrs Jones join our team over the coming months as she prepares to take up her post on 1 September 2025.

As we approach the half-term holiday, we would like to wish all our pupils and their families a restful break. We will return to school on Monday, 24 February 2025, ready for another productive term.

YEAR 10 LINGUISTS VISIT RUNNYMEDE - BE PROUD, WORK HARD

Our brilliant Year 10 linguists thoroughly enjoyed their visit to Runnymede earlier this week, as did the pupils in Year 3 to Year 6 who were in their lessons.

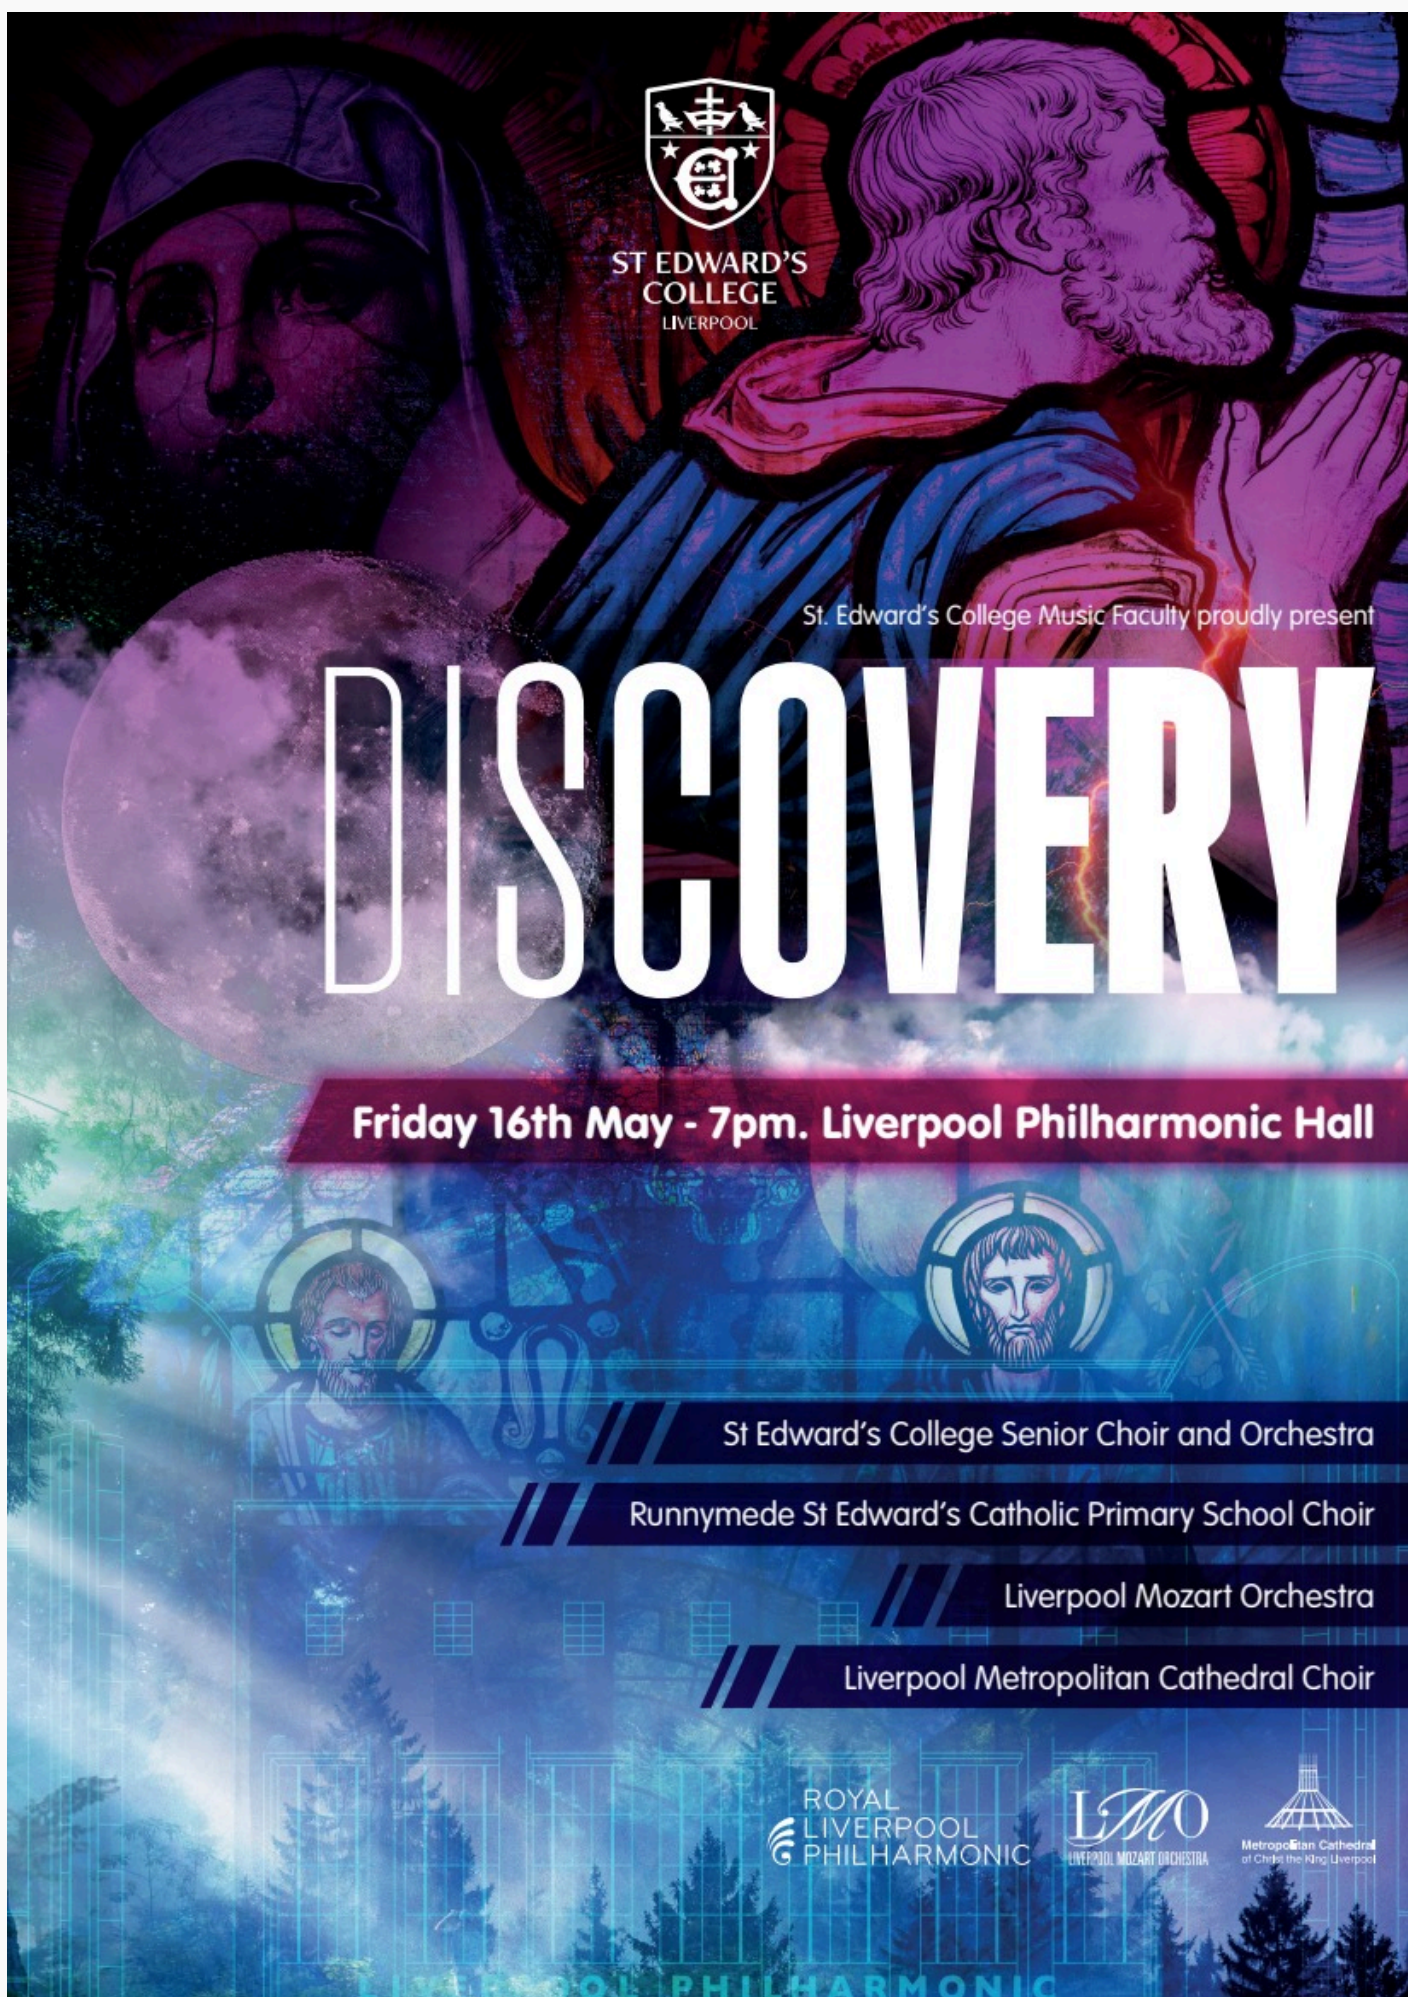

Our fantastic pupils delivered French and Spanish lessons, including games like Bingo, Hangman, Tap the Board. It was great to see the younger pupils engaged and enthusiastic about learning languages. Well done, Year 10! Allez! ¡Vámanos!

COLLEGE STAFF NEWS - BE PROUD

As this week is National Apprenticeship week, kitchen staff, Rayva signed up for her apprenticeship in baking. Thank you for the delicious deserts we've had this week!

ARCHBISHOP MALCOM - GROW IN FAITH

As you may have heard Archbishop Malcom recently announced that cure of Liverpool man Jack Traynor has been recognised as the 71st official miracle to have happened at Lourdes, and he is the first person from England to have been cured at the shrine. Jack's remarkable story was the theme of our assemblies last week.

To celebrate this significant moment in the Archdiocese of Liverpool. There will be a special Mass of Thanksgiving on Tuesday 18 February 2025 at the Metropolitan Cathedral of Christ the King, Liverpool, at 7pm. A drinks reception will follow in the cathedral crypt.

Archbishop Malcom has written to personally invite our students, parents, and family members to participate in this celebration of the Eucharist. His letter can be found here (please insert attached letter) You can read more about Jack's amazing story [here](#).

CONTEMPORARY CRAFT - WORK HARD

Last Thursday Mrs Cave and Mr Lamin took pupils studying Art and Design Technology GCSE to Hope University's Creative Campus. We paid a visit to the Contemporary Craft BA hons course and were welcomed by lecturers Dino and Paula who gave us a tour of the facilities and we enjoyed a practical workshop printing bags with disperse dyes and heat presses.

The new BA Contemporary Craft is an exciting interdisciplinary Major which focuses on hands-on, experimental designing and making. Students create craft works using the specialist facilities (metal, ceramics, textile and digital).

Staff and pupils were able to see current design students working on their final collections and see industry standard equipment , all relevant to their current studies.

It was a really interesting and enjoyable morning and we appreciated being made so welcome by the University. [@liverpoolhopefashioncraft](https://www.instagram.com/liverpoolhopefashioncraft)

GEOGRAPHY STUDENTS ATTEND UNIVERSITY LECTURES - WORK HARD

A handful of our fantastic A-Level Geographers / Geologists attended various lectures this weekend at the University of Liverpool.

Particular highlights included how humans caused the Anthropocene, geological records of ice sheet tipping points and how we can capture carbon and store it.

We are really impressed with their efforts, and they have taken a lot out of this experience! Well done everybody!
