DEADLINE FOR YEAR 12 APPLICATIONS  
FRIDAY 31 JANUARY, 16.00

## FROM THE PRINCIPAL

This week, Year 12 Edmund Rice ambassadors, Lucas and Anna, travelled with Edmund Rice International to the United Nations Human Rights congress this week. They had the opportunity to learn about the work that ERI have done.

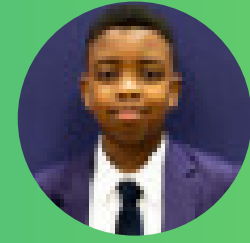

Lucas wrote:

"I was extremely proud to represent St Edward's in the UN Headquarters this week in Geneva. Not only was it a once in a lifetime experience, it was as trip to remember as I am grateful to Edmund Rice International for allowing me to learn a lot about their amazing organisation and the redeeming work and opportunities they provide. The trip also allowed me to explore a beautiful city and make new friends from all around England. Finally, thank you to all the staff and I would most definitely recommend it for any future Sixth Formers."

# DR KEN AMOR VISIT TO THE COLLEGE - BE PROUD, WORK HARD

Abigail H in Year 12 reports on Dr Amor's visit:

Dr Ken Amor gave an insightful talk to our Year 12 Honours students about life in Oxford University. This talk helped all of us understand the challenges and benefits of studying at the university. His academic interests include Geochemistry, Sedimentology, Stratigraphy and the physical and chemical processes of large meteorite impacts. In the morning, Dr Amor gave us all an invigorating anecdotal speech, followed by time for questions at the end.

The A Level Chemistry, Geography, Geology and Physics students were then invited back to discover the depths of Dr Amor's PhD research. He guided us through how he looks into the Geological Lithology, discovering meteor impacts from millions of years ago. He helped link every subject into his talk; everyone's knowledge was integrated into the talk. We would all like to thank Dr Amor for allowing us a unique opportunity to delve further into the aspects of research and life at Oxford university.

Special mentions must also go to Alex VW, Josh P, Scott J, Dominic M, Oren H and Rowyn H who all played half a game for SJC and half a game for SEC to ensure that a 15 a side game could be facilitated.

The U13s were beaten by a good SJC team with individual awards going to BOTM: Max E, FOTM: Shea H and POTM: Samuel S. A big week of training is expected prior to their next home fixture vs Bishop Heber HS and much looked forward to Lancashire Festival on Tuesday 28 January.

The U12s produced an excellent team performance, particularly in the second half to record a 6 tries to 1 victory. The emphasis was on the quality of the team performance, although awards were given to the following players BOTM: Jim VA, FOTM: Octavio G, POTM: Oscar L & Alec G.
