FROM THE PRINCIPAL

The summer term is always an exciting time for graduates of Art & Design as they display their final exhibitions and shows which can launch their careers. This year our Year 10 and 12 Art and Textiles students had the pleasure of attending the LJMU Degree show. It was a pleasure to see the final exhibitions by students of Architecture, Fashion Design & Communication, Fine Art, Graphic Design & Illustration, History of Art & Museum Studies, Interior Architecture and Film Studies (Liverpool Screen School).

The Art & Design Department also caught up with OE Ellie McG who had just completed her degree in Architecture. The fashion show this year was very professional and we all went away inspired by the creativity and innovation on display.

LEADERSHIP CHANGES

You are all already aware that I am leaving to retire from headship at the end of this term. Along with this Miss Cooper, Deputy Head Academic, is also leaving having spent nearly her whole career at St Edward's.

Mr Johnson will be the sole Deputy Head for the time being, supporting Mr Fabia, the new Headteacher.

Mr Ray, Assistant Head, will change the focus of his role from leading the Sixth Form, to become Assistant Head (Inclusion), taking on responsibility as SENCO and Pupil Premium lead. He is looking forward to this new role and parents of children with SEN can expect to hear from Mr Ray through a letter of introduction in the coming week. Mrs Gilbertson, the current SENCO, is becoming part time Head of Design Faculty. Miss Vaz Martins will continue as Assistant SENCO.

The Sixth Form is to be lead from September by Miss McCann (English) as Head of Sixth (who has been Assistant Head of Sixth Form for several years) and Miss Malone (Geography) as Assistant Head of Sixth Form.

GOOD BEHAVIOUR OUTSIDE SCHOOL - TREAT OTHERS WELL

This week, we received a heartwarming email from a community member praising the behavior of students at the Queens Drive bus stop. The sender was impressed by the pupils' politeness and orderly conduct, noting that they entered the bus without any pushing or shoving, and each student thanked the driver as they exited the bus. Well done to these students for setting a positive example even beyond the school gates.

SAFETY INFORMATION FOR TAYLOR SWIFT FANS **THIS WEEKEND - TREAT OTHERS WELL**

With Liverpool being transformed into “Taylor Town” - LCC would like to highlight some key safety messages for children, young people and families attending either the concerts or one of the many organised events across the city.

Liverpool FC have put together [a series of FAQs](#) and we'd encourage those attending to familiarise themselves with these ahead of time.

We understand that attending a live music concert is a special moment, so we're sharing some additional considerations to help create a positive and safe experience for our younger attendees.

Taylor Swift will perform at Anfield Stadium on Thursday 13, Friday 14 and Saturday 15 June 2024.

Staying safe at the concerts

Children under 16 years of age must be accompanied by a responsible adult of 18 years or over.

Children under 14 are not permitted in the standing area, and young people may be asked to prove their age with ID

Accompanying adults (and young people too) should familiarise themselves with the layout of the stadium – including the entrances, exits, meeting points, first aid stations, and welfare points.

Agree on a meeting point in case you get separated.

Children and young people should carry contact information and remind them they can ask for help from event staff, security or police if they feel unsafe.

Educate children and young people about the importance of staying aware and staying with their group.

Advise young people not to carry large amounts of cash or expensive items that could get lost or stolen.

Encourage regular hydration – which is especially important in crowded and hot environments.

As concerts can also be loud and overwhelming, earplugs may be a suitable option.

SAFETY INFORMATION FOR TAYLOR SWIFT FANS THIS WEEKEND - TREAT OTHERS WELL

Taylor Town events across the city

A full list of organised events can be found here <https://www.visitliverpool.com/taylortown/>

The previous advice on “staying safe” also applies if attending any other events and it is particularly important that parents and carers take time to remind children and young people of who they can ask for help should they become separated from their group or feel unsafe.

Children and young people should carry relevant emergency contact information with them. There are no organised events in or around Stanley Park and travel to this area is strongly discouraged.

Roads and travel to the concert

From Thursday to Saturday, Walton Breck Road will be closed from 12pm to 12am, while Anfield Road will be closed to through traffic due to Liverpool Football Club's Anfield Road stadium expansion.

There will be no public parking available at Anfield Stadium and parking enforcement will be in operation.

There will be long wait times for any vehicles using the Utting Avenue drop off and pick up service.

For more information on getting to Anfield Stadium by public transport, visit:
