

**ST EDWARD'S
COLLEGE**
LIVERPOOL

FROM THE PRINCIPAL

22 October 2024

Dear Parents/Carers,

Food Technology Lessons – Y7, 8 & 9 – Ref: 069/24

We are writing to inform you of an exciting change to how we will be delivering our Food Technology lessons, starting from Half Term 2. As a school, we are committed to being as inclusive as possible and making things easier for both parents and pupils.

To this end, from the second half of the term, the school will purchase all ingredients and materials needed for Food Technology lessons. This change means that parents will no longer need to source or buy ingredients for each lesson. Instead, we are introducing a one-off payment for the year, which can be made via Edulink.

We believe this change will simplify the process for everyone, ensure all students have the same quality ingredients, and allow us to deliver a more streamlined and inclusive curriculum.

Further details, including the cost and payment instructions, will be available on Edulink in the coming days.

Thank you for your continued support. If you have any questions, please do not hesitate to contact the school.

Kind Regards,

Mr Lee Antony Fabia
Principal
